

Value Added Courses

About the Course

Value added courses are the types of courses which help a particular individual to develop their own skills in their chosen field of the study. They are mostly independent to each type of the fields. GHG Harparkash College of Education for Women, Sidhwan Khurd, Ludhiana offering two value added courses since 2021 i.e. Digital Literacy and Communication Skills. The students have the option to choose the courses according to their desires and inclinations as they choose the desired items in cafeteria. From the expertise our students gain knowledge through the value-added courses, which will enable them to face the formidable challenges of the future.

Course Learning Outcomes

The main objectives of the Value-added courses are:

- To provide students an understanding of the expectations of education industry.
- To improve employability skills of students of GHGHCED.
- To bridge the skill gaps and make students industry ready.
- To equip the students to enhance their skills and add value to the existing curriculum.

Report of Value-Added Course on Communication Skills

GHG Harparkash College of Education for Women, Sidhwan Khurd, Ludhiana offered value added courses from 12-02-2022 to 19-02-2022. Total number of 34 students joined this Value-added course on Communication Skills. Dr Shally, Associate Professor GHG Harparkash College of Education for Women, was the coordinator of the course. On first day of this course students are made aware about the listening skill and how this is very much important for effective communication skill. Students heard some audio stories with animation. The experts of the course tested and monitored progress of the students through questioning, narration of the story and spell bee. On second day of this course students gave hand on practice of reading. Students were provided with the reading materials and each students read the paragraphs of the story and described it in her own words. Teachers rectified the wrongly pronounced words and comprehensive ability of the students was also checked through questioning.

On third day of this course students gave hand on practice of writing on a topic of their own choice. Suggestions were given regarding spellings, grammatical mistakes, sentence structure and coherence in presenting the idea. On fourth day of this course students were exposed to the language lab and every student went through all the four communication modules available in the language lab. On fifth day of this course every student presented herself through declamation and teacher suggested the students on the parameters of pronunciation, vocabulary, tone, intonation, voice modulation, gestures and body language. On sixth day and seventh day students made to sit in small groups. They practiced to share their life stories, fun facts, and any other thing they wanted to talk about.
