REPORT OF INTER-COLLEGE COMPETITION

2023-24

An Inter-College Declamation and Poster Making competition was organized by BCM College of Education, Ludhiana on 28th February, 2024 to celebrate Science Day. National Science Day is celebrated in India on February 28 each year to mark the discovery of the Raman Effect by Indian physicist Sir C. V. Raman on 28 February 1928. For his discovery, Sir C.V. Raman was awarded the Nobel Prize in Physics in 1930. Three students, Ms. Gagandeep Kaur (B.Ed. Sem II), Ms. Premjit Kaur (B.Ed. Sem II) and Ms. Kirandeep Kaur (B.Ed. Sem II) from our college participated in the competitions. Ms. Premjit Kaur won appreciation award in Declamation Competition. She expressed her thoughts on the importance of science in the lives of each and every person on earth. Even sometimes when we do not know, we may be using science and its applications in our daily lives. It is important to acknowledge the ways science and its applications have simplified our lives and how easier it has made things for us. Participating students were accompanied by Dr. Geeta Kundi, Asst. Prof. in the college.
